

North Central Section Spinning Prop Award 2018

How would you like to be acknowledged by the North Central Section for flying? If this sounds great, then the **NCS Spinning Prop Award** is for you. Our Spinning Prop Award recognizes the NCS member who logs the most general aviation hours in a one-year period. Think airplane, helicopter, glider, balloon and more. Take to the skies and log those hours!

Purpose: The North Central Section Spinning Prop Award was created to encourage and promote more flying by our members.

Pilot Eligibility: The award is open to all NCS Ninety-Nines and Student Pilot members. If a member joined mid-period of eligibility, only those hours accrued during that portion of the year that she was an official Ninety-Nine or Student Pilot count toward the award. All applicants must be international members.

Hours of Eligibility: General Aviation hours for which the pilot did not receive any compensation are eligible. (Note to CFIs: time can count toward the award if you provided free dual and therefore no compensation was received.) Safety pilot time is applicable. Student time is eligible when logging PIC time. Simulator time is not eligible.

Dates of Eligibility: March 1, 2017 through February 28, 2018.

How to Apply: Submit your name, the date you joined the 99s, and the total number of qualifying hours* to your Chapter Chair. The 99 with the most hours will be asked to submit hard copies of her logbook for the applicable period. Both sides of the logbook need to be copied and numbered clearly. Please number the left side page as XXA and right side as XXB (1A, 1B, 2A, 2B, etc.) Those hours which are not applicable to the award must be identified. Eligible hours are to be identified and totaled. Chapter Chairs will submit the names and logbook copies to the NCS Directors.

** Hours are defined as what is shown in your current logbook.*

Chapter Chairs: Please request copies of the relevant logbook pages of your member with the most number of hours during the Dates of Eligibility. Please submit the information requested above (see How to Apply) and logbook pages of your chapter's nominee to NCS Directors Cheryl Daml and Margaret Wint via email at director@ncs99s.org or send a hard copy mailing to Cheryl at 10105 Pleasure Creek Circle, Blaine, MN 55434.

NOTE: By mail or email, clear images of all logbook pages must be submitted. For emails, each nominee's documentation should be sent as a single PDF file after scanning every logbook page for the PDF file. No submissions will be allowed without the proper logbook data.

For NCS Members at Large: You may nominate yourself and mail copies of the relevant logbook pages directly to the NCS Directors at the address above.

Other Information: The Award will be presented at the NCS Spring Section meeting in Kalamazoo, MI (May 4-6, 2018). We will recognize each Chapter's high flyers and celebrate their time in the sky.

Deadline: All submissions are due to the Directors POSTMARKED OR EMAILED NO LATER THAN Friday, March 23, 2018 (11:59 pm).
